**ORDER GRANTING MOTION TO
CONSOLIDATE CASES AND APPOINT
LEAD PLAINTIFFS, LEAD COUNSEL,
AND LIAISON COUNSEL**

I. INTRODUCTION

There are currently two shareholders' derivative actions (the "Derivative Cases") on behalf of nominal defendant Chordiant Software, Inc. ("Chordiant") pending before the Court.¹ Presently before the Court is Plaintiffs Jesse Brown and Louis Suba's Motion to Consolidate Related Cases, Appoint Lead Plaintiff and Lead Counsel, and Set Briefing Schedule. (hereafter "Motion," Docket Item No. 16.) The Court found the matter appropriate for submission on the papers. See Civ. L.R. 7-1(b). Based on the papers filed to date, the Court ORDERS (1) the Derivative Cases consolidated;

¹ The Derivative Cases are: Jesse Brown v. Stephen Kelly, et al., C 06-04671 (filed Aug. 1, 2006), and Louis Suba v. Stephen Kelly, et al., C 06-05603 (filed Sept. 13, 2006).

(2) Jesse Brown and Louis Suba appointed Lead Plaintiffs; (3) Schiffrin & Barroway LLP appointed Lead Counsel; and (4) Bramson, Plutzik, Mahler & Birkhaeuser LLP appointed Liaison Counsel.

II. BACKGROUND

On August 1, 2006, Jesse Brown ("Brown") filed the first shareholders' derivative complaint on behalf of Chordiant alleging that certain of the company's officers and directors wrongfully diverted millions of dollars to themselves through a stock option backdating scheme. On September 13, 2006, Louis Suba ("Suba") also filed a derivative action on behalf of Chordiant alleging the same type of misconduct and harm. The Court declined to relate the Derivative Cases because both actions were already pending before the Court. (See Order Re: Administrative Motion to Consider Whether Cases Should Be Related, Docket Item No. 15.) On October 23, 2006, Brown and Suba filed a motion to consolidate the Related Derivative Actions and to appoint themselves as lead plaintiffs, Schiffrin & Barroway LLP ("Schiffrin") as lead counsel, and Bramson, Plutzik, Mahler & Birkhaeuser LLP ("Bramson") as liaison counsel. To date, the Court is unaware of any opposition to the Motion.

III. DISCUSSION

A. Consolidation of the Derivative Cases

A district court has broad discretion to consolidate actions involving "common issues of law or fact." Fed. R. Civ. P. 42(a); Investors Research Co. v. U.S. Dist. Ct. for Cent. Dist. of Cal., 877 F.2d 777, 777 (9th Cir. 1989). In exercising its broad discretion to order consolidation, a district court "weighs the saving of time and effort consolidation would produce against any inconvenience, delay, or expense that it would cause." Huene v. U.S., 743 F.2d 703, 704 (9th Cir. 1984).

Having reviewed the Complaints filed in the Derivative Cases, the Court finds that the two cases involve virtually identical factual and legal issues. The core issue of both cases is whether executives at Chordiant breached their fiduciary duties when they backdated stock options that were granted to them between 2000 and 2002. Given these similarities and the lack of any apparent inconvenience, delay, or expense that would result from bringing the cases together, the Court finds that consolidation of the Derivative Cases is appropriate.

1 **B. Appointment of Lead Plaintiffs**

2 According to Federal Rule of Civil Procedure 23.1, a plaintiff in a shareholders' derivative
3 action must "fairly and adequately represent the interests of the shareholders or members similarly
4 situated in enforcing the right of the corporation or association." Factors courts have considered in
5 analyzing a plaintiff's fitness to be lead plaintiff include: (1) whether the plaintiff held shares during
6 the relevant time period; (2) whether the plaintiff is represented by capable counsel; and (3) whether
7 the plaintiff is subject to any unique defense that would frustrate appointment. See Horn v. Raines,
8 227 F.R.D. 1, 3 (D. D.C. 2005); Millman v. Brinkley, Nos. 03-cv-3831, 03-cv-3832, 03-cv-0058,
9 2004 WL 2284505, at *3 (N.D. Ga. Oct. 1, 2004).

10 The Complaints filed in the Derivative Cases allege that all relevant times Brown and Suba
11 were shareholders of Chordiant. These Brown and Suba have also retained competent and
12 experienced counsel and do not appear to be subject to any unique defenses. The Court does not
13 find any reason not to establish the proposed leadership structure. Accordingly, appointment of
14 Brown and Suba as Lead Plaintiffs is appropriate.

15 **C. Appointment of Lead Counsel and Liaison Counsel**

16 Brown and Suba have agreed that Schiffrin should be appointed as lead counsel and that
17 Bramson should be appointed as liaison counsel. Given these firms' experience with similar
18 shareholder actions, the Court finds it appropriate to appoint Schiffrin as Lead Counsel and Bramson
19 as Liaison Counsel.

20 **IV. CONCLUSION**

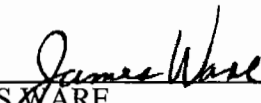

21 The Court ORDERS (1) the Derivative Cases consolidated; (2) Jesse Brown and Louis Suba
22 appointed Lead Plaintiffs; (3) Schiffrin & Barroway LLP appointed Lead Counsel; and (4) Bramson,
23 Plutzik, Mahler & Birkhaeuser LLP appointed Liaison Counsel.

1 The Clerk shall consolidate these actions such that the earlier filed action, C 06-04671 JW, is
2 the lead case. All future filings shall be filed in C 06-04671 JW and bear the caption: "In Re
3 Chordiant Derivative Litigation."

4 A hearing on Defendants' anticipated motion to dismiss is set for **May 7, 2007 at 9:00 a.m.**
5 If Defendants do not file a motion to dismiss, the Court will conduct a further case management
6 conference on this date at the 10 a.m. calendar.

7 Pursuant to the Private Securities Litigation Reform Act of 1995, the Court ORDERS all
8 discovery STAYED pending Defendants' anticipated motion to dismiss. See In re Altera Corp.
9 Derivative Litigation, 06-03447 JW, 2006 WL 2917578 (N.D. Cal. Oct. 11, 2006).

Schiffirin Barroway Topaz & Kessler, LLP, specializes in representing shareholders and consumers in complex class action litigation in state and federal courts throughout the United States. Since our inception, SBTk has recovered billions of dollars on behalf of defrauded shareholders and aggrieved consumers. The firm is led by its senior partners, Richard S. Schiffirin, Andrew L. Barroway, Marc A. Topaz, and David Kessler, with assistance from partners Stuart L. Berman, Katharine M. Ryan, Gregory M. Castaldo, Michael K. Yarnoff, Joseph H. Meltzer, Darren J. Check, Tobias L. Millrood, Andrew L. Zivitz, Sean M. Handler, John A. Kehoe, Lee D. Rudy, Kay E. Sickles, Eric L. Zagar and numerous experienced associates and staff.

SBTK focuses on the prosecution of securities fraud actions and derivative and transactional litigation brought against public companies, their officers and directors, and their auditors and investment banking firms. In addition, SBTk represents employees in ERISA/401 K actions, as well as individuals and institutions in consumer litigation, product liability and antitrust actions.

Throughout our history, SBTk has represented various private institutional investors, including public and Taft-Hartley pension funds, hedge funds, mutual fund managers, investment advisors, and insurance companies, as well as thousands of individual investors in securities fraud class actions. Currently, SBTk is serving as Lead or Co-Lead Counsel in several high profile securities class actions against companies such as Tyco, Delphi Corp., Tenet Healthcare, Sprint Corp. and PNC Bank.

Noteworthy Achievements

During the firm's successful history, SBTk has recovered billions of dollars for defrauded stockholders and consumers. The following are among the firm's notable achievements:

***In re Tenet Healthcare Corp. Securities Litigation,
No. CV-02-8462-RSWL (Rx) (C.D. Cal. 2002):***

SBTK serves as co-lead counsel on behalf of the State of New Jersey and its Division of Investment against Tenet Healthcare Corp. and certain of its former officers and directors. Among other things, the Lead Plaintiff alleges that defendants made a series of materially false or misleading statements and omissions concerning Tenet's business model and financial health from January 11, 2000 through November 7, 2002. After defeating defendants' motions to dismiss and performing substantial document and deposition discovery, a partial settlement has been reached in the amount of \$216.5 million in cash which will be submitted for preliminary approval by the Court in the coming weeks. The Partial Settlement is being funded primarily by Tenet and its insurance carriers (\$215 million), with personal contributions in the aggregate amount of \$1.5 million being made by two of Tenet's former officers, Jeffrey Barbakow and Thomas Mackey. In addition to the substantial cash recovery, the prosecution of this action has played a prominent role in Tenet's initiation of sweeping corporate governance reforms which have led to Tenet being ranked by various institutional rating entities as among the best corporations in America for its corporate governance. The case will continue against KPMG as the Court denied KPMG's motion to dismiss the action in its entirety in December, 2005.

***In re AremisSoft Corp. Securities Litigation,
C.A. No. 01-CV-2486 (D.N.J. 2002):***

SBTK is particularly proud of the results recently achieved in this case before the Honorable Joel A. Pisano. This case was exceedingly complicated, as it involved the embezzlement of hundreds of millions of dollars by former officers of the Company, who are now fugitives. In settling the action, SBTk, as sole Lead Counsel, assisted in reorganizing the Company as a new Company to allow for it to continue operations, while successfully separating out the securities fraud claims and the bankrupt Company's claims into a litigation trust. The Settlement, which was recently approved, calls for the class to receive the majority of the equity in the new Company, as well as their pro rata share of any amounts recovered by the litigation trust. The Court-appointed cotrustees, Joseph P. LaSala, Esq. and Fred S. Zeidman, have retained SBTk to continue prosecuting the actions on behalf of the litigation trust. In this capacity, we have filed an action in the Isle of Man, and have successfully frozen more than \$200 million of stolen funds from one of the fugitives, and are in the process of attempting to recover the money on behalf of the trust. In addition, we are continuing to litigate the trust's claims against the remaining fugitive.

***In re The Interpublic Group of Companies Securities Litigation,
No. 02 Civ. 6527 (S.D.N.Y. 2002):***

SBTK served as sole Lead Counsel in this action on behalf of an institutional investor and recently received final approval of a settlement consisting of \$20 million in cash and 6,551,725 shares of IPG common stock with expected distribution by early summer 2005. As of February 2005, the stock had an approximate value of \$87 million, resulting in a total settlement value of

approximately \$107 million. In granting its approval, the Court praised SBTk for acting responsibly and noted the firm's professionalism, competence and contribution to achieving such a favorable result.

***In re Digital Lightwave, Inc. Securities Litigation,
Consolidated Case No. 98-152-CIV-T-24E (M.D. Fla. 1999):***

The firm served as Co-Lead Counsel in one of the nation's most successful securities class actions. After extensive litigation and negotiations, a settlement consisting primarily of stock ultimately grew to a value of over \$170 million between the time in which the settlement was negotiated and the time at which it was distributed. SBTk took on the primary role in negotiating the terms of the equity component, insisting that the class have the right to share in any upward appreciation in the value of the stock after the settlement was reached. This recovery represented an astounding approximately two hundred percent (200%) of class members' losses. We believe that this represents the largest percentage recovery for shareholders in securities class action history.

***In re Initial Public Offering Securities Litigation,
Master File No. 21 MC 92 (SAS) (S.D.N.Y. Dec. 12, 2002):***

SBTK holds a prominent position as an Executive Committee member in this action. Of the sixty plaintiffs firms which originally filed actions in these coordinated proceedings, SBTk was one of only six selected to serve on the Executive Committee. The coordinated actions, which have been filed against 309 separate issuers of publicly traded securities, challenge the legality of the practices which accompany the allocations of shares in initial public offerings. In addition to suing the issuers of such securities, the 309 coordinated actions also name as defendants the primary investment banking firms which underwrote the offerings. This case, which has received a great deal of national and international media attention, is widely considered the largest securities class action litigation in history. At the present time, the Court has preliminarily approved a \$1 billion settlement with the insurers and their officers and directors. The case is proceeding against the underwriting defendants.

***In re Global Crossing, Ltd. ERISA Litigation,
No. 02 Civ. 7453 (S.D.N.Y. 2004):***

SBTK served as Co-Lead Counsel in this complex and high-profile action which alleged that certain directors and officers of Global Crossing, a former high-flier of the late 1990's tech stock boom, breached their fiduciary duties under the Employee retirement Income Security Act of 1974 to certain company-provided 401(k) plans and their participants. These breaches surrounded the plans' alleged imprudent investment in Global Crossing stock during a time when defendants knew, or should have known, that the company was facing imminent bankruptcy. A settlement of plaintiffs' claims restoring \$79 million to the Plans and their participants was approved in November 2004. At the time, this represented the largest recovery received in a company stock ERISA class action.

***In re Honeywell International ERISA Litigation,
No. 03-1214 (DRD) (D.N.J. 2004):***

SBTK is serving as Lead Counsel in a breach of fiduciary duty case under ERISA against Honeywell International, Inc. and certain fiduciaries of Honeywell pension plans. The suit alleges that Honeywell and the individual fiduciary defendants, allowed Honeywell's 401(k) plans and their participants to imprudently invest significant assets in company stock, despite that defendants knew, or should have known, that Honeywell's stock was an imprudent investment due to undisclosed, wide-ranging problems stemming from a consummated merger with Allied Signal and a failed merger with General Electric. A settlement of plaintiffs' claims, which includes a \$14 million payment to the plans and their affected participants, and significant structural relief affording participants much greater leeway in diversifying their retirement savings portfolios, is currently pending court approval.

***In re Remeron Antitrust Litigation,
No. 02-CV-2007 (D.N.J. 2004):***

SBTK is Co-Lead Counsel in an action challenging Organon, Inc.'s filing of certain patents and patent infringement lawsuits as an abuse of the Hatch-Waxman Act, and an effort to unlawfully extend their monopoly in the market for Remeron. Specifically, the lawsuit alleges that defendants violated state and federal antitrust laws in their efforts to keep competing products from entering the market, and seeks damages sustained by consumers and third-party payors. After lengthy litigation, including numerous motions and over 50 depositions, the matter settled for \$36 million. The settlement is pending final approval by the court.

***Henry v. Sears, et al.,
Case No. 98 C 4110 (N.D. Ill. 1999):***

The firm served as Co-Lead Counsel for one of the largest consumer class actions in history, consisting of approximately 11 million Sears credit card holders whose interest rates were improperly increased in connection with the transfer of the credit card accounts to a national bank. SBTK successfully negotiated a settlement representing approximately 66% of all class members' damages, thereby providing a total benefit exceeding \$156 million. All \$156 million was distributed automatically to the Class members, without the filing of a single proof of claim form. In approving the settlement, the District Court stated: "... I am pleased to approve the settlement. I think it does the best that could be done under the circumstances on behalf of the class. ... The litigation was complex in both liability and damages and required both professional skill and standing which class counsel demonstrated in abundance."

***Jordan v. State Farm Insurance Company,
Case No. 97 CH 11 (Cir. Ct., McLean County, Ill. 1998):***

Plaintiffs alleged that State Farm had engaged in fraudulent sales practices known as "churning," and marketing and selling "vanishing premium" policies that do not actually "vanish." After several years of discovery, motion practice and settlement negotiations, SBTK, as Liaison Counsel, successfully resolved the action for \$225 million in cash, dividend enhancements and other monetary benefits for current and former State Farm policyholders.

***In re Liberate Technologies Securities Litigation,
No. C-02-5017 (MJJ) (N.D. Cal. 2005):***

Plaintiffs alleged that Liberate engaged in fraudulent revenue recognition practices to artificially inflate the price of its stock, ultimately forcing it to restate its earnings. As sole Lead Counsel, SBTk successfully negotiated a \$13.8 million settlement, which represents almost 40% of the damages suffered by the class. In approving the settlement, the district court complimented Lead Counsel for its “extremely credible and competent job.”

***In re InfoSpace, Inc. Securities Litigation,
Master File No. C-01-0913-Z (D. Wash. 2001):***

SBTK served as Co-Lead Counsel on behalf of plaintiffs alleging that InfoSpace and certain of its officers and directors overstated revenues by using improper accounting methods, overstated the demand for InfoSpace’s wireless services, misstated InfoSpace’s financial relationships with major customers, and falsely represented that InfoSpace would receive subscription fees from users of web-enabled cell phones. After two years of hard-fought litigation and complex mediation, a settlement of \$34.3 million was obtained for members of the class.

***In re Riverstone Networks, Inc. Securities Litigation,
Case No. CV-02-3581 (N.D. Cal. 2002):***

SBTK served as sole lead counsel on behalf of plaintiffs alleging that Riverstone and certain of its officers and directors sought to create the impression that the Company, despite the industry-wide downturn in the telecom sector, had the ability to prosper and succeed and was actually prospering. In that regard, plaintiffs alleged that defendants issued a series of false and misleading statements concerning the Company’s financial condition, sales and prospects, and used inside information to personally profit. After extensive litigation, the parties entered into formal mediation with the Honorable Charles Legge (Ret.). Following five months of mediation, the parties reached a settlement of \$18.5 million which has been preliminarily approved by the Court.

***In re Assisted Living Concepts, Inc. Securities Litigation,
Lead Case No. 99-167-AA (D. Or. 1999):***

SBTK served as Co-Lead Counsel and was instrumental in obtaining a \$30 million recovery for class members from the Company, its executive officers and directors, and several underwriters for their role in an alleged complex accounting fraud involving the use of a purportedly independent joint venture to absorb the Company’s start-up losses. Even after this \$30 million recovery, through counsel’s efforts, an additional \$12.5 million was obtained from the auditors providing for a total recovery of \$42.5 million.

***Wanstrath v. Doctor R. Crants, et al.,
No. 99-1719-111 (Tenn. Chan. Ct., 20th Judicial District, 1999):***

SBTK served as Lead Counsel in a derivative action filed against the officers and directors of Prison Realty Trust, Inc., challenging the transfer of assets from the Company to a private entity owned by several of the Company’s top insiders. Numerous federal securities class actions were pending against the Company at this time. Through the derivative litigation, the Company’s top management was ousted, the composition of the Board of Directors was significantly improved,

and important corporate governance provisions were put in place to prevent future abuse. Mr. Schiffrin, in addition to achieving these desirable results, was able to personally effectuate a global settlement of all pending litigation against the backdrop of an almost certain bankruptcy. The case was resolved in conjunction with the federal securities cases for the payment of approximately \$50 million by the Company's insurers and the issuance of over 46 million shares to the class members.

***In re Cumulus Media Inc. Securities Litigation,
Lead Case No. 00-C-391 E.D. Wis. 2000):***

SBTK served as Lead Counsel and successfully litigated the action and negotiated a settlement of \$13 million in cash and 240,000 shares of freely tradable stock in Cumulus Media, which traded for approximately \$19 per share, for a total settlement value of \$17.5 million at the time the settlement was approved by the Court.

Mr. Schiffrin oversees all aspects of litigation on behalf of the firm. Mr. Schiffrin has been recognized for his expertise in numerous cases, including most prominently:

In re Tenet Healthcare Corp., 02-CV-8462 (C.D. Cal.):

Schiffrin Barroway Topaz & Kessler served as Co-Lead Counsel on behalf of plaintiffs, alleging that Tenet Healthcare and certain of its officers and directors defrauded Medicare out of hundreds of millions of dollars, materially overstated Tenet's revenues, and performed unnecessary cardiac surgeries to increase the Company's earnings. After three years of hard-fought litigation and complex mediation, Schiffrin Barroway Topaz & Kessler helped obtain a settlement involving a \$216.5 million payment from Tenet and the Company's former CEO and COO, and specific corporate governance improvements.

In re AremisSoft Corp. Securities Litigation, C.A. No. 01-CV-2486 (D.N.J. 2002):

Schiffrin Barroway Topaz & Kessler is particularly proud of the results achieved in this case before the Honorable Joel A. Pisano. This case was exceedingly complicated, as it involved the embezzlement of hundreds of millions of dollars by former officers of the Company, some of whom remain fugitives. In settling the action, Schiffrin Barroway Topaz & Kessler, as sole Lead Counsel, assisted in reorganizing the Company as a new Company which allowed for it to continue operations, while successfully separating out the securities fraud claims and the bankrupt Company's claims into a litigation trust. The Settlement, approved by the court, enabled the class to receive the majority of the equity in the new Company, as well as their pro rata share of all amounts recovered by the litigation trust. The court-appointed co-trustees, Joseph P. LaSala, Esq. and Fred S. Zeidman, retained Schiffrin Barroway Topaz & Kessler to further assist with prosecuting the actions on behalf of the litigation trust.

After filing an action in the Isle of Man, where the trust successfully froze more than \$200 million of stolen funds from one of the fugitives, the trust achieved a settlement of this action for \$200 million, which was returned to the United States and paid to the trust. Recently, the trust

commenced another action in Cyprus, where it obtained a Mareva injunction and interim ancillary relief against bank accounts and assets owned and/or controlled by the other principal wrongdoer.

Thus far, counsel on behalf of the trust and its beneficiaries have achieved settlements with the Company and certain of its directors and officers as well as the Company's auditors, lawyer and underwriters, for a total of more than \$250 million. The beneficiaries of the trust have already received in excess of 28% of their recognized losses.

Henry v. Sears, et al., Case No. 98 C 4110 (N.D. Ill. 1999):

Schiffirin Barroway Topaz & Kessler served as Lead Counsel on behalf of the largest class of credit card holders in history. At stake was the right of Sears and its newly formed affiliate, Sears National Bank ("SNB"), to retroactively increase the interest rates on eleven million credit card accounts with outstanding balances resulting from purchases made prior to the accounts being transferred to SNB. Schiffirin Barroway Topaz & Kessler alleged that such conduct violated the Truth-in-Lending Act, the National Banking Act and state consumer fraud statutes. After extensively litigating various aspects of liability, an additional nine months were then spent determining damages. The extraordinary complexity of the damage calculations required Mr. Schiffirin and experts from both parties to develop, test and utilize a novel computer model to ascertain total damages for the class and individualized damages for each class member. Ultimately, Mr. Schiffirin and his partner, Mr. Kessler, were able to negotiate a \$156 million settlement, which represented approximately 66% of total damages. In approving the settlement, District Court Judge Leinenwebber of the Northern District of Illinois stated:

. . . I am pleased to approve the settlement. I think it does the best that could be done under the circumstances on behalf of the class. . . . The litigation was complex in both liability and damages and required both professional skill and standing which class counsel demonstrated in abundance.

The entire settlement fund of \$156 million was distributed without the filing of a single proof of claim form by any class member.

Wanstrath v. Doctor R. Crants, et al., C.A. No. 99-1719-III (Tenn. Chan. Ct., 20th Judicial District, 1999):

Schiffirin Barroway Topaz & Kessler served as Lead Counsel in a derivative action filed against the officers and directors of Prison Realty Trust, Inc., challenging the transfer of assets from the Company to a private entity owned by several of the Company's top insiders. Numerous federal securities class actions were pending against the Company at this time. Through the derivative litigation, the Company's top management was ousted, the composition of the Board of Directors was significantly improved and important corporate governance provisions were put in place to prevent future abuse. Mr. Schiffirin, in addition to achieving these desirable results, was able to personally effectuate a global settlement of all pending litigation against the backdrop of an almost certain bankruptcy. The case was resolved in conjunction with the federal securities cases

for the payment of approximately \$50 million by the Company's insurers and the issuance of over 46 million shares to the class members.

Jordan v. State Farm Insurance Company, Case No. 97 CH 11 (Cir. Ct., McLean County, Ill. 1998):

Schiffrein Barroway Topaz & Kessler brought a claim on behalf of multiple plaintiffs alleging that State Farm had engaged in fraudulent sales practices by "churning" policies and marketing and selling "vanishing premium" policies that never "vanished." After several years of discovery, motion practice and settlement negotiations, Mr. Schiffrein played a critical role in resolving the action for \$225 million in cash, dividend enhancements and other monetary benefits for current and former State Farm policyholders. Schiffrein Barroway Topaz & Kessler also has achieved substantial settlements in 20 additional cases alleging fraudulent sales practices by various insurance companies.

Mr. Schiffrein has also represented defrauded shareholders and companies in complex class and derivative actions, including the following:

A multi-million dollar settlement was negotiated by Mr. Schiffrein whereby Diana Brooks (Sotheby's President at the time of the alleged wrongdoing) agreed to relinquish all of her Sotheby's stock options, and the Company's insurance carrier made a substantial monetary payment to the Company. Schiffrein Barroway Topaz & Kessler served as sole Lead Counsel in this action on behalf of an institutional investor and recently received final approval of a settlement consisting of \$20 million in cash and 6,551,725 shares of IPG common stock. As of February 2005, the stock had

an approximate value of \$87 million, resulting in a total settlement value of approximately \$107 million. In granting its approval, the Court praised Schiffrin Barroway Topaz & Kessler for acting responsibly and noted the firm's professionalism, competence and contribution to achieving such a favorable result.

In re Digital Lightwave, Inc. Securities Litigation, Consolidated Case No. 98-152-CIV-T-24E (M.D. Fla. 1999):

The firm served as Co-Lead Counsel in one of the nation's most successful securities class actions. After extensive litigation and negotiations, a settlement consisting primarily of stock ultimately grew to a value of over \$170 million between the time in which the settlement was negotiated and the time at which it was distributed. Schiffrin Barroway Topaz & Kessler took on the primary role in negotiating the terms of the equity component, insisting that the class have the right to share in any upward appreciation in the value of the stock after the settlement was reached. This recovery represented an astounding approximately two hundred percent (200%) of class members' losses. Schiffrin Barroway Topaz & Kessler believes that this represents the largest percentage recovery for shareholders in securities class action history.

Mr. Barroway, along with his partner, Mr. Kessler, has also negotiated substantial settlements of securities class actions in which Schiffrin Barroway Topaz & Kessler was Lead or Co-Lead Counsel against Pinnacle Holdings, Cell Pathways, Gateway, Mercator and NetSolve. Mr. Barroway currently represents numerous public pension funds, private investment funds, money management firms, and individuals in securities fraud litigation as Lead or Co-Lead Counsel.

MARC A. TOPAZ, a senior partner of the firm, received his law degree from Temple University School of Law, where he was an editor of the Temple Law Review and a member of the Moot Court Honor Society. He is licensed to practice law in Pennsylvania and New Jersey, and has been admitted to practice before the United States District Court for the Eastern District of Pennsylvania. Mr. Topaz manages the firm's derivative, transactional and antitrust departments. In this regard, Mr. Topaz has been actively involved in litigating the following prominent cases:

In re MTC Electronic Shareholder Litigation, No. CV-93-0876 (E.D.N.Y. 1993):

Schiffrin Barroway Topaz & Kessler served as Co-Counsel in a case involving securities fraud by MTC, its officers and directors, underwriters and accountants. The case presented novel issues of Chinese law, and required the construction of a database of hundreds of thousands of documents utilized in numerous party and non-party depositions. A \$72 million settlement was achieved on the eve of trial.

In re Oppenheimer Capital, L.P., Unitholders Litigation, Consolidated No. 16022NC (Del. Ch. 1997):

Schiffrin Barroway Topaz & Kessler served as Co-Lead Counsel on behalf of plaintiffs alleging that a merger proposed by Pimco Advisors benefitted certain Pimco insiders by

disproportionately allocating tax benefits achieved from the restructuring of a limited partnership, and failing to provide adequate compensation to the Oppenheimer shareholders. Plaintiffs moved to enjoin the transaction and a settlement was reached whereby defendants agreed to pay a special dividend to Oppenheimer limited partners of approximately \$16 million.

Wanstrath v. Doctor R. Crants, et al., C.A. No. 99-1719-III (Tenn. Chan. Ct., 20th Judicial District, 1999):

Schiffrin Barroway Topaz & Kessler served as Lead Counsel in a derivative action filed against the officers and directors of Prison Realty Trust, Inc., challenging the transfer of assets from the Company to a private entity owned by several of the Company's top insiders. Numerous federal securities class actions were pending against the Company at this time. Through the derivative litigation, the Company's top management was ousted, the composition of the Board of Directors was significantly improved and important corporate governance provisions were put in place to prevent future abuse. Mr. Schiffrin, in addition to achieving these desirable results, was able to personally effectuate a global settlement of all pending litigation against the backdrop of an almost certain bankruptcy. The case was resolved in conjunction with the federal securities cases for the payment of approximately \$50 million by the Company's insurers and the issuance of over 46 million shares to the class members.

DAVID KESSLER, a senior partner of the firm, graduated with distinction from the Emory School of Law. He is licensed to practice in Pennsylvania and New Jersey, and has been admitted to practice before the United States District Court for the Eastern District of Pennsylvania and the United States District Court for the District of New Jersey. Mr. Kessler has achieved the following outstanding results in federal securities cases:

In re Initial Public Offering Securities Litigation, Master File No. 21 MC 92 (SAS) (S.D.N.Y. Dec. 12, 2002):

Mr. Kessler, along with Mr. Schiffrin, is presently heading up the firm's litigation efforts in its prominent position as an Executive Committee member in this action. Of the sixty plaintiffs firms which originally filed actions in these coordinated proceedings, Schiffrin Barroway Topaz & Kessler was one of only six selected to serve on the Executive Committee. The coordinated actions, which have been filed against 309 separate issuers of publicly traded securities, challenge the legality of the practices which accompany the allocations of shares in initial public offerings. In addition to suing the issuers of such securities, the 309 coordinated actions also name as defendants the primary investment banking firms which underwrote the offerings. This case, which has received a great deal of national and international media attention, is widely considered the largest securities class action litigation in history. At the present time, the court has preliminarily approved a \$1 billion settlement with the issuers and their officers and

directors. The class has also reached an agreement in principle to resolve the action against JP Morgan for \$425 million, which is in the process of being memorialized and submitted to the Court for approval. The case is proceeding against the remaining underwriting defendants.

In re PNC Financial Services Group, Inc. Litigation, Case No. 02-CV-271 (W.D. Pa. 2002):

Schiffrein Barroway Topaz & Kessler served as Co-Lease Counsel and was instrumental in obtaining a \$30 million recovery for class members from PNC and the assignment of certain claims it may have had against its audit and other third party law firms and insurance companies, with respect to an alleged fraudulent scheme wherein non-performing assets were removed from PNC's books and transferred to special purpose entities that PNC allegedly still controlled. An additional \$6.6 million was recovered from the insurance company and the law firms and an agreement in the principle has now been reached with the audit to resolve all claims for another \$9.075 million, providing for a total recovery from the securities litigation of \$45.675 million upon approval of the auditor settlement. When coupled with the \$156 million restitution fund established through government actions against some of the same defendants and third parties, the total recovery for class members exceeds \$200 million.

In re Assisted Living Concepts, Inc. Securities Litigation, Lead Case No. 99-167-AA (D. Or. 1999):

Schiffrein Barroway Topaz & Kessler served as Co-Lead Counsel and was instrumental in obtaining a \$30 million recovery for class members from the Company, its executive officers and directors, and several underwriters for their role in an alleged complex accounting fraud involving the use of a purportedly independent joint venture to absorb the Company's startup losses. Even after this \$30 million recovery, through counsel's efforts, an additional \$12.5 million was obtained from the auditors providing for a total recovery of \$42.5 million.

In re Cumulus Media Inc. Securities Litigation, Lead Case No. 00-C-391 (E.D. Wis. 2000):

Schiffrein Barroway Topaz & Kessler served as Lead Counsel and successfully litigated the action and negotiated a settlement of \$13 million in cash and 240,000 shares of freely tradable stock in Cumulus Media, which traded for approximately \$19 per share, for a total settlement value of \$17.5 million at the time the settlement was approved by the Court.

In re New Power Holdings, Inc. Securities Litigation, No. 02 Civ. 1550 (S.D.N.Y. 2002):

Schiffirin Barroway Topaz & Kessler served as Co-Lead Counsel and was instrumental in obtaining a recovery of \$41 million in cash for class members against a bankrupt company, certain of its officers and directors and the underwriters of the Company's offering. Mr. Berman has specialized in the area of securities litigation for the past nine years. He is particularly proud of the results achieved in *In re AremisSoft Corp. Sec. Litig.*, C.A. No. 01-CV-2486 (D.N.J. 2002), a case on which Mr. Berman and his partner, Richard Schiffrin, have worked extensively. This case was exceedingly complicated, as it involved the embezzlement of hundreds of millions of dollars by former officers of the Company, some of whom are now fugitives. In settling the action, Schiffrin Barroway Topaz & Kessler, as sole Lead Counsel, assisted in reorganizing AremisSoft as a new Company which allowed for it to continue operations, while successfully separating out the securities fraud claims and the bankrupt Company's claims into a litigation trust. The Settlement, which was approved by the Court, called for the class to receive the majority of the equity in the new Company, as well as their pro rata share of all amounts recovered by the litigation trust. The Court-appointed co-trustees, Joseph P. LaSala, Esq. and Fred S. Zeidman, retained Schiffrin Barroway Topaz & Kessler to continue prosecuting the actions on behalf of the litigation trust. After extensive litigation in the Isle of Man, including the successful freezing of more than \$200 million of stolen funds, the trust recently settled its action against one of the principal wrongdoers and recovered approximately \$200 million. Thus far, the trust has distributed to beneficiaries of the trust more than 28% of their recognized losses (excluding the value of the equity of the new Company), and is poised to recover even more. Recently, the trust commenced further litigation in Cyprus, where it obtained a Mareva injunction and interim ancillary relief against bank accounts and assets owned and/or controlled by the other principal wrongdoer.

In re Tenet Healthcare Corp., 02-CV-8462 (C.D. Cal.):

Schiffrin Barroway Topaz & Kessler served as Co-Lead Counsel on behalf of plaintiffs, alleging that Tenet Healthcare and certain of its officers and directors defrauded Medicare out of hundreds of millions of dollars, materially overstated Tenet's revenues, and performed unnecessary cardiac surgeries to increase the Company's earnings. After three years of hard-

fought litigation and complex mediation, Schiffrin Barroway Topaz & Kessler helped obtain a settlement involving a \$216.5 million payment from Tenet and the Company's former CEO and COO, and specific corporate governance improvements.

In re Liberate Technologies Securities Litigation, No. C-02-5017 (MJJ) (N.D. Cal. 2005):

Plaintiffs alleged that Liberate engaged in fraudulent revenue recognition practices to artificially inflate the price of its stock, ultimately forcing it to restate its earnings. As sole Lead Counsel, Schiffrin Barroway Topaz & Kessler successfully negotiated a \$13.8 million settlement, which represents almost 40% of the damages suffered by the class. In approving the settlement, the district court complimented Lead Counsel for its "extremely credible and competent job."

In re Sodexo Marriott Shareholders Litigation,

Consol. C.A. No. 18640-NC, Delaware Chancery Court, in which Class Counsel was partially responsible for creating an aggregate financial benefit of approximately \$166 million for members of the class.

He serves in the firm's securities litigation department and has been actively involved in a number of federal securities cases in which outstanding results were achieved, including the following:

In re CVS Corporation Securities Litigation, C.A. No. 01-11464 JLT (D.Mass.):

After more than three years of contentious litigation and a series of protracted mediation sessions, Schiffrin Barroway Topaz & Kessler, LLP, serving as co-lead counsel, secured a \$110 million recovery for class members in the CVS Securities Litigation. Specifically, the suit alleged that CVS violated accounting practices by delaying discounts on merchandise in an effort to prop up its earnings. In addition, the suit charged that in 2001, the Company and its Chief Executive Officer, Thomas M. Ryan, improperly delayed announcement of its intention to close approximately 200 underperforming stores, and that an industry-wide pharmacist shortage would have a materially negative impact on the Company's performance. Settlement was reached just days prior to the commencement of trial, and shortly after the district court had denied the defendants' motions for summary judgment. This substantial recovery, which represents the third-largest settlement in a securities class action case in the First Circuit, received final approval from District Judge Joseph Tauro on September 27, 2004.

In re InfoSpace, Inc. Securities Litigation, Master File No. C-01-0913-Z (D. Wash. 2001):

After two years of hard-fought litigation and complex mediation, a settlement of \$34.3 million was obtained for members of the class.

In re Riverstone Networks, Inc. Securities Litigation, Case No. CV-02-3581 (N.D. Cal. 2002):

Schiffirin Barroway Topaz & Kessler served as Lead Counsel on behalf of plaintiffs alleging that Riverstone and certain of its officers and directors sought to create the impression that the Company, despite the industry-wide downturn in the telecom sector, had the ability to prosper and succeed and was actually prospering. In that regard, plaintiffs alleged that defendants issued a series of false and misleading statements concerning the Company's financial condition, sales and prospects, and used inside information to personally profit. After extensive litigation, the parties entered into formal mediation with the Honorable Charles Legge (Ret.). Following five-months of mediation, the parties reached a settlement of \$18.5 million.

and,

Actel Corp.,

Nominal Defendant.

I. INTRODUCTION

There are currently two related shareholders' derivative actions (the "Related Derivative Cases") on behalf of nominal defendant Actel Corp. ("Actel") pending before the Court.¹ Presently before the Court are Plaintiffs Frank Brozovich and Samir Younan's Motion to Consolidate Cases (Docket Item No. 20) and Motion to Appoint Lead Plaintiffs, Lead Counsel and Liaison Counsel (Docket Item No. 13). The Court found the matter appropriate for submission on the papers. See Civ. L.R. 7-1(b). Based on the papers filed to date, the Court ORDERS (1) the Related Derivative

¹ The Related Derivative Cases are: Frank Brozovich v. John C. East, et al., C 06-05352 JW (filed Aug. 30, 2006), and Samir Younan v. John C. East, et al., C 06-06832 JW (filed Nov. 2, 2006).

1 Cases consolidated; (2) Frank Brozovich and Samir Younan appointed Lead Plaintiffs; (3) Schiffrin
2 & Barroway LLP appointed Lead Counsel; and (4) Bramson, Plutzik, Mahler & Birkhaeuser LLP
3 appointed Liaison Counsel.

4 **II. BACKGROUND**

5 On August 30, 2006, Frank Brozovich ("Brozovich") filed the first shareholders' derivative
6 complaint on behalf of Actel alleging that certain of the company's officers and directors wrongfully
7 diverted millions of dollars to themselves through a stock option backdating scheme. On November
8 2, 2006, Samir Younan ("Younan") also filed a derivative action on behalf of Actel alleging the
9 same type of misconduct and harm. On November 8, 2006, the Court found that the two actions
10 were related. (See Related Case Order, Docket Item No. 11.) On November 15, 2006, Brozovich
11 and Younan filed a motion to appoint themselves as lead plaintiffs, Schiffrin & Barroway LLP
12 ("Schiffrin") as lead counsel, and Bramson, Plutzik, Mahler & Birkhaeuser LLP ("Bramson") as
13 liaison counsel. On December 22, 2006, Brozovich and Younan filed a motion to consolidate the
14 Related Derivative Cases. To date, the Court is unaware of any opposition to these motions.

15 **III. DISCUSSION**

16 **A. Consolidation of the Derivative Cases**

17 A district court has broad discretion to consolidate actions involving "common issues of law
18 or fact." Fed. R. Civ. P. 42(a); Investors Research Co. v. U.S. Dist. Ct. for Cent. Dist. of Cal., 877
19 F.2d 777, 777 (9th Cir. 1989). In exercising its broad discretion to order consolidation, a district
20 court "weighs the saving of time and effort consolidation would produce against any inconvenience,
21 delay, or expense that it would cause." Huene v. U.S., 743 F.2d 703, 704 (9th Cir. 1984).

22 Having reviewed the Complaints filed in the Related Derivative Cases, the Court finds that
23 the two cases involve virtually identical factual and legal issues. The core issue of both cases is
24 whether executives at Actel breached their fiduciary duties when they backdated stock options that
25 were granted to them between 1994 and 2001. Given these similarities and the lack of any apparent
26 inconvenience, delay, or expense that would result from bringing the cases together, the Court finds
27 that consolidation of the Related Derivative Cases is appropriate.

1 **B. Appointment of Lead Plaintiffs**

2 According to Federal Rule of Civil Procedure 23.1, a plaintiff in a shareholders' derivative
3 action must "fairly and adequately represent the interests of the shareholders or members similarly
4 situated in enforcing the right of the corporation or association." Factors courts have considered in
5 analyzing a plaintiff's fitness to be lead plaintiff include: (1) whether the plaintiff held shares during
6 the relevant time period; (2) whether the plaintiff is represented by capable counsel; and (3) whether
7 the plaintiff is subject to any unique defense that would frustrate appointment. See Horn v. Raines,
8 227 F.R.D. 1, 3 (D. D.C. 2005); Millman v. Brinkley, Nos. 03-cv-3831, 03-cv-3832, 03-cv-0058,
9 2004 WL 2284505, at *3 (N.D. Ga. Oct. 1, 2004).

10 The Complaints filed in the Related Derivative Cases allege that all relevant times Brozovich
11 and Younan were shareholders of Actel. Brozovich and Younan have also retained competent and
12 experienced counsel and do not appear to be subject to any unique defenses. Accordingly,
13 appointment of Brozovich and Younan as Lead Plaintiffs is appropriate.

14 **C. Appointment of Lead Counsel and Liaison Counsel**

15 Brozovich and Younan have agreed that Schiffrin should be appointed as lead counsel and
16 that Bramson should be appointed as liaison counsel. Given these firms' experience with similar
17 shareholder actions, the Court finds it appropriate to appoint Schiffrin as Lead Counsel and Bramson
18 as Liaison Counsel.

19 **IV. CONCLUSION**

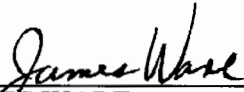

20 The Court ORDERS (1) the Related Derivative Cases consolidated; (2) Frank Brozovich and
21 Samir Younan appointed Lead Plaintiffs; (3) Schiffrin & Barroway LLP appointed Lead Counsel;
22 and (4) Bramson, Plutzik, Mahler & Birkhaeuser LLP appointed Liaison Counsel.

23 The Clerk shall consolidate these actions such that the earlier filed action, C 06-05352 JW, is
24 the lead case. All future filings shall be filed in C 06-06832 JW and bear the caption: "In Re Actel

MEMORANDUM & ORDER
Motions to Consolidate and Appoint
Lead Plaintiff, Lead Counsel and
Liaison Counsel

10 Three shareholder derivative suits have been filed by shareholders of Power Integrations, Inc.
11 (“Power Integrations”) against various directors and officers of Power Integrations. The first suit
12 was filed by plaintiff Kimberly Quaco, the second by plaintiff Kathryn Champlin, and the third by
13 plaintiff Christopher Deboskey. The three suits have been previously coordinated before this court.
14 All three plaintiffs have moved to consolidate the three cases and appoint lead plaintiff and lead
15 counsel. On November 6, 2006, a hearing was held on the motions to consolidate and appoint lead
16 plaintiff and lead counsel. At that hearing, counsel for the three plaintiffs were ordered to submit a
17 declaration of each named plaintiff within fifteen days of the hearing, as the court had inadequate
18 information to determine which plaintiff was most suitable to be appointed lead plaintiff. These
19 declarations were due on November 21, 2006. In accordance with the court’s ruling at the
20 December 18, 2006 case management conference, it rules as follows.

21 As no declaration has been timely filed by plaintiff Deboskey, the court is left knowing next
22 to nothing about his suitability as a plaintiff. As of November 21, 2006 no declaration was received
23 from plaintiff Deboskey. No declaration was received from plaintiff Champlin, and on November
24 30, 2006, she withdrew her motion to be appointed lead plaintiff. A signed declaration was timely
25 received from plaintiff Quaco, describing her relationship with her counsel, her holdings of Power
26 Integrations stock, and her interest in this lawsuit.
27
28

1 In her declaration plaintiff Quaco admits to owning "a modest amount of Power stock": two
2 shares. Quaco Dec. ¶ 4. This limited interest is insufficient for appointment of a lead plaintiff.
3 However, Quaco has submitted an additional declaration of another shareholder, Geoffrey Wren,
4 who currently owns 1,642 Power shares and has held an ownership interest in Power since 1998.
5 Wren Dec. ¶ 4. Based on his declaration, Wren appears to be a suitable lead plaintiff.
6 Accordingly, the court grants Quaco leave to substitute Wren as a plaintiff and simultaneously
7 grants Quaco's motion for appointment of Wren as lead plaintiff. The court also appoints Schiffren
8 and Barroway, who represent both Quaco and Wren, as lead counsel.

9 Plaintiff Quaco's motion to consolidate the three cases is GRANTED. The court GRANTS
10 plaintiff Quaco leave to add Wren as lead plaintiff, and accordingly, and plaintiff Quaco's motion to
11 appoint lead plaintiff and lead counsel is GRANTED IN PART. Plaintiff Deboskey's motion to
12 consolidate is GRANTED and plaintiff Deboskey's motion to appoint lead plaintiff and lead counsel
13 is DENIED.
